

Family Center

Helping families build positive online habits, together

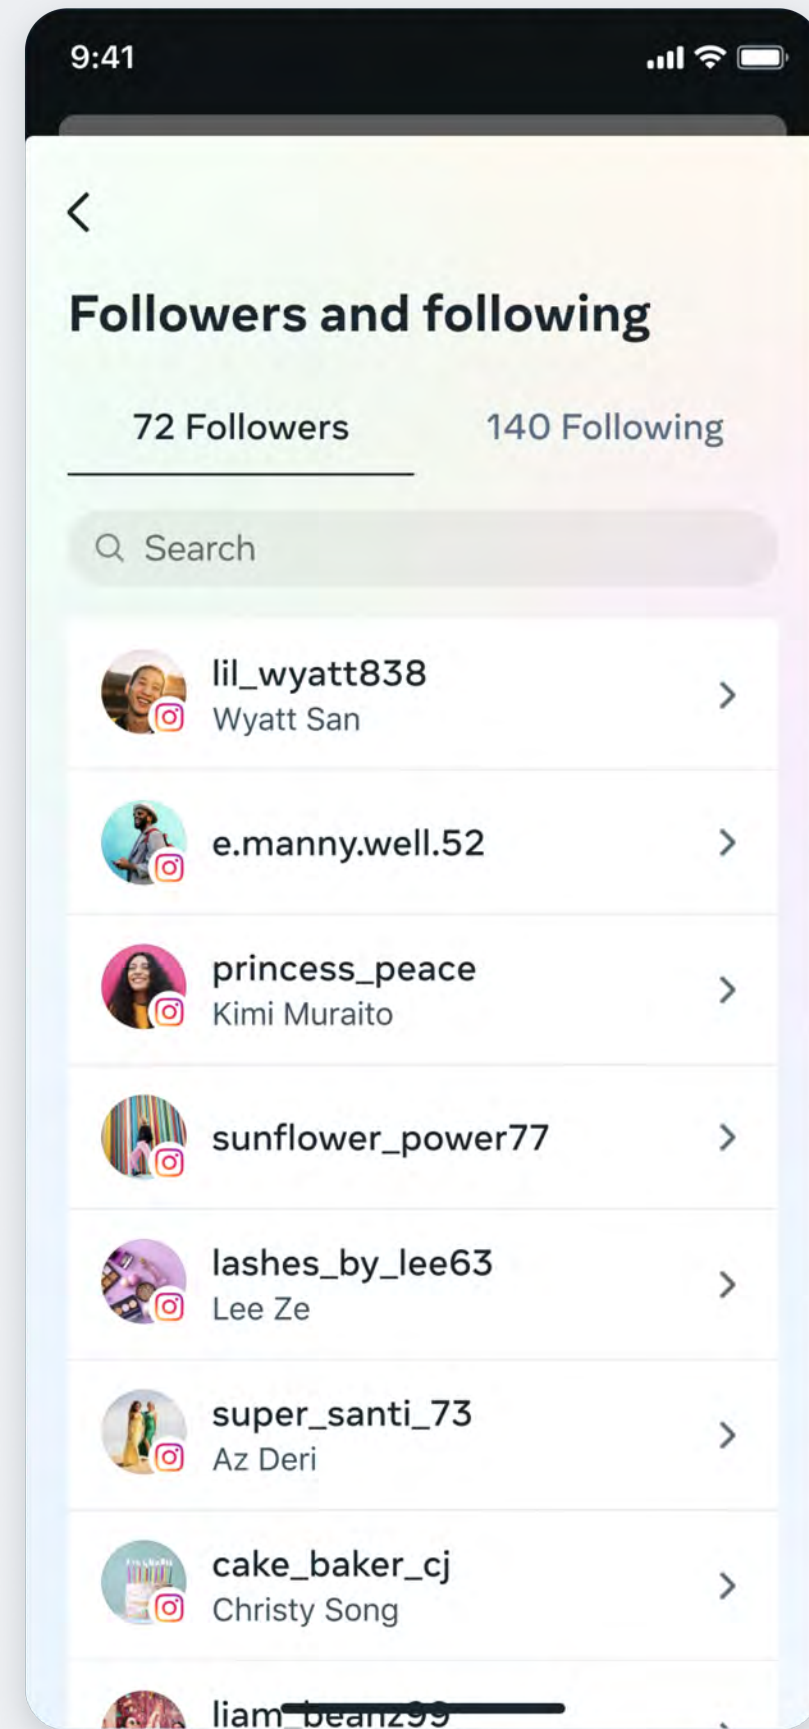

With Family Center,

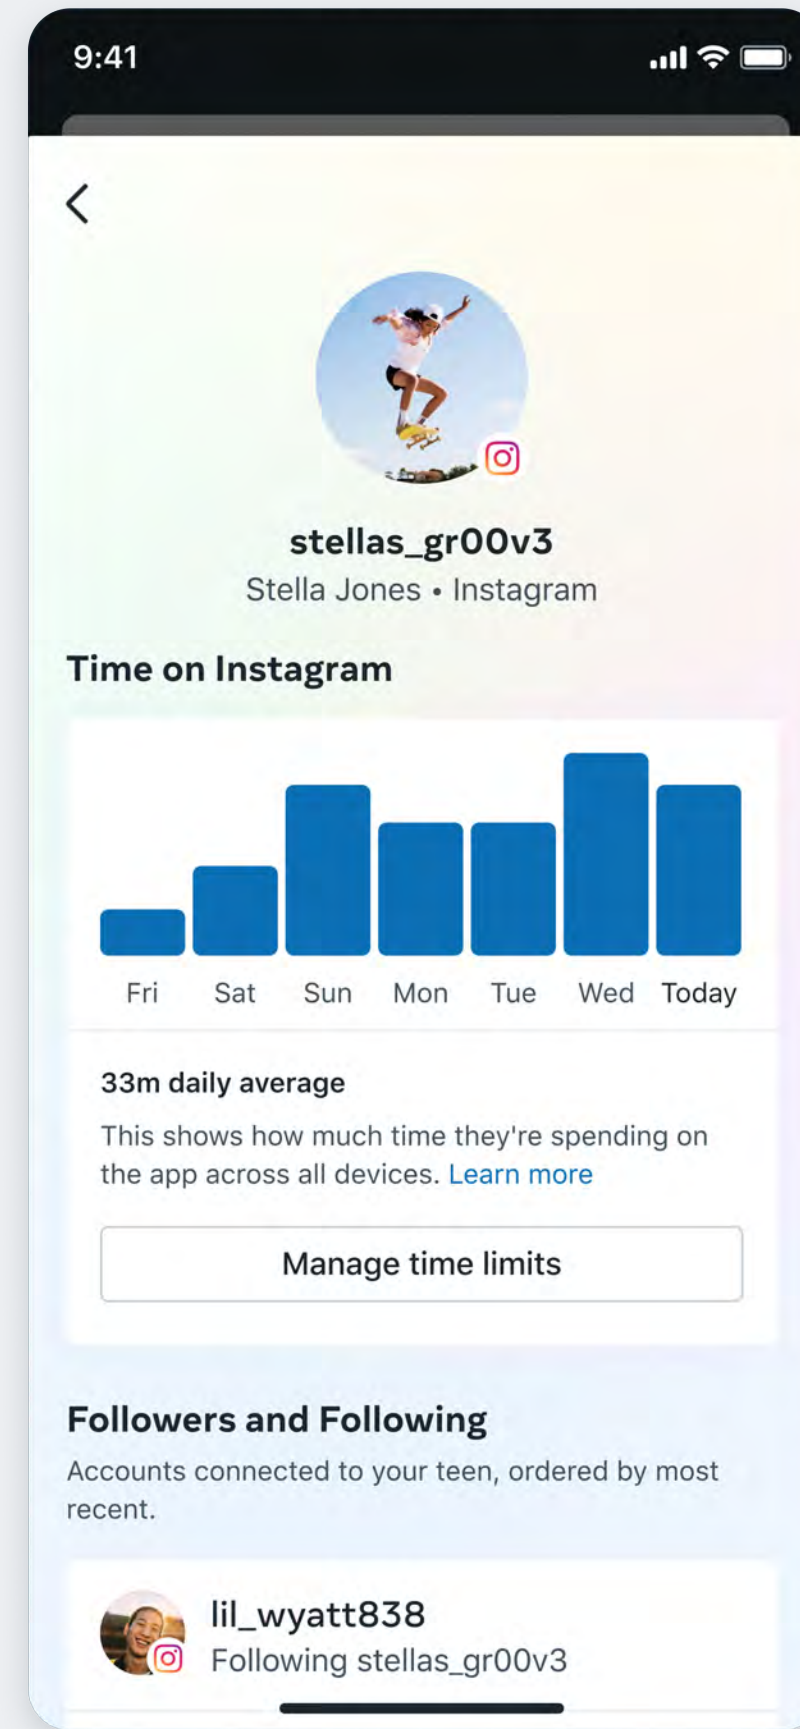

Teens can ask you to supervise their Instagram accounts or you can send them an invite to do the same.

Learn more: meta.com/familycenter

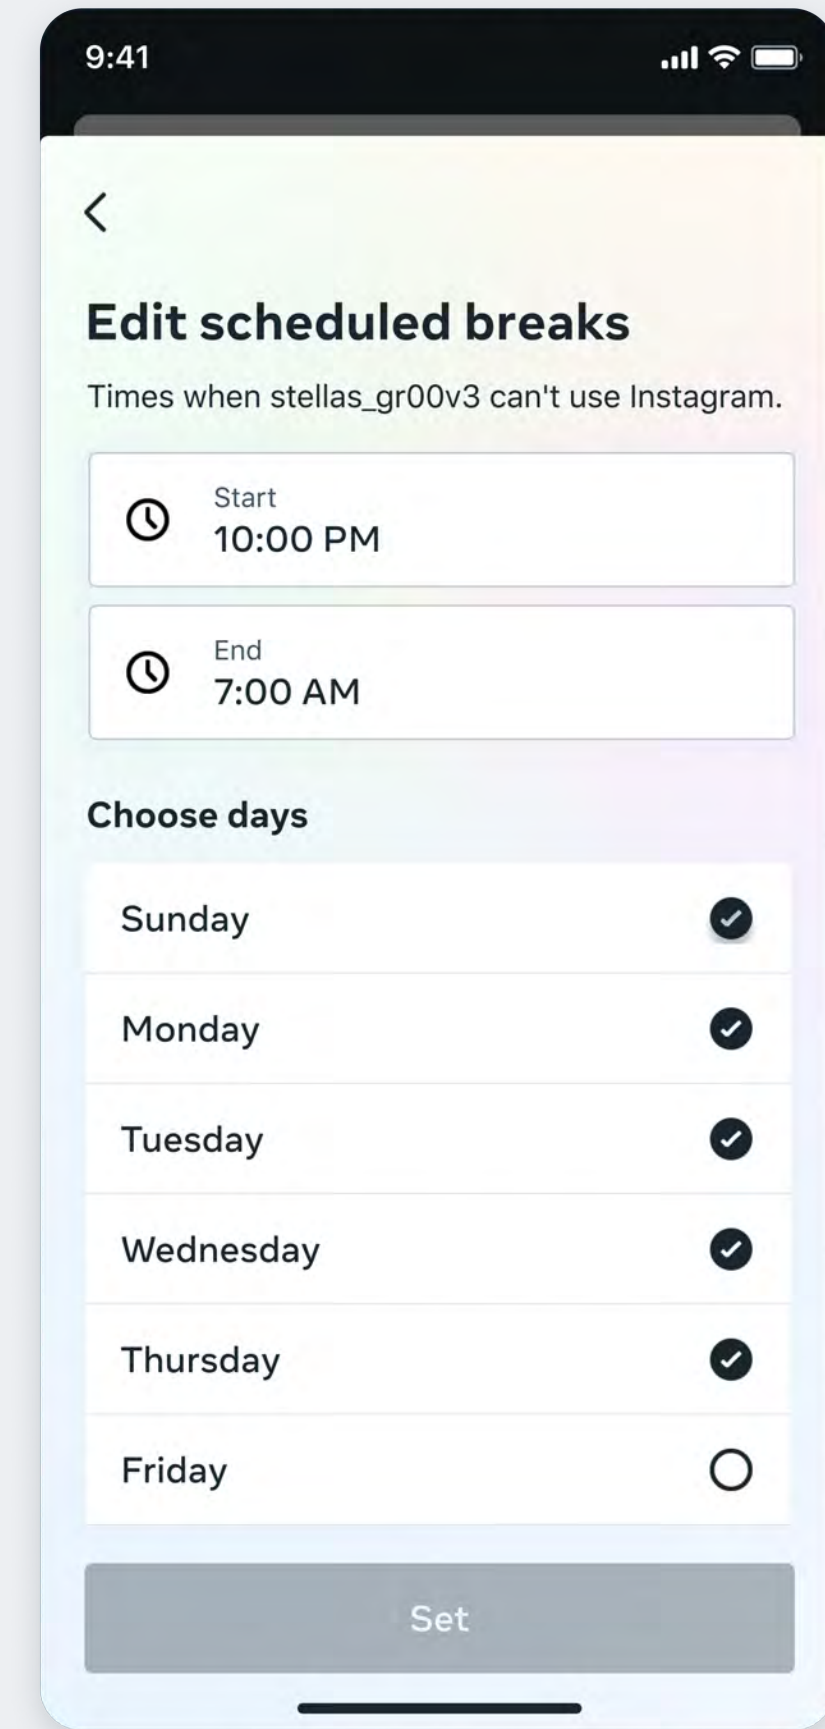

With Family Center, parents can...

...see who their teens follows and who follows them.

...see how much time their teens are spending on Instagram.

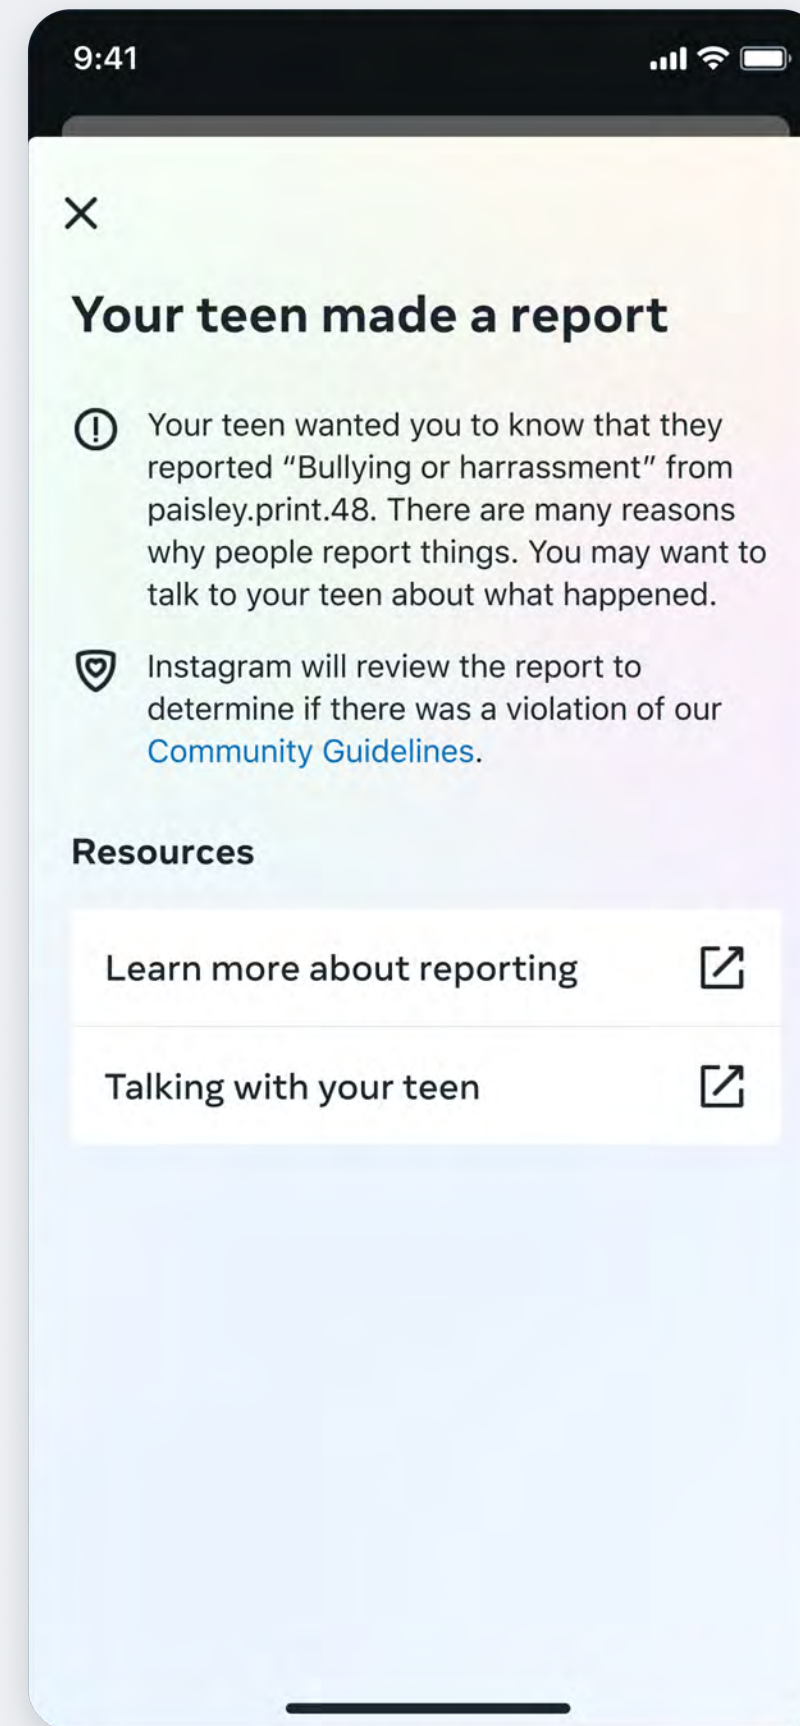

...help teens set daily time limits and scheduled breaks.

Learn more: meta.com/familycenter

With Family Center, parents can...

...get notified if their teen chooses to share a report with them.

...learn more about reporting and explore advice from experts.

...build an Instagram experience that's right for your family.
